KEEPING IN TOUCH

THE MONTHLY NEWSLETTER OF SAINT PAUL CHURCH

Saint Paul Church is an open, affirming, and diverse community of faith representing two Christian traditions, that of the Evangelical Lutheran Church in America and that of the Roman Catholic Church. Each tradition maintains and honors its own heritage, and each worships according to its own liturgical practices. As one community of faith, the members of the respective traditions work together in social outreach and shared hospitality. Together we rejoice in the manner in which diversity has enriched, nurtured, and challenged the life and ministry we share in Christ, and we regret actions and attitudes throughout the Church that may have inhibited or prevented access to Word and Sacrament because of age, race, socio-economic or marital status, physical or mental capacities, gender identity, or sexual orientation. We are a Reconciling in Christ community.

Co-directed by Palestinian Emad Burnat and Israeli Guy Davidi

First-hand account of non-violent resistance in Bil'in a West Bank village threatened by encroaching Israeli settlements. Shot almost entirely by Palestinian farmer Emad Burnat, who bought his first camera in 2005 to record the birth of his youngest son, Gibreel. In 2009 Israeli co-director Guy Davidi joined on to create the film. There are five cameras – each with a story of its own. http://emadburnat.com

Volunteers Needed for Vaccine Research Trial

Developing an HIV vaccine remains a critical need in the fight against the spread of HIV. The tools we have include: safer sex and condom use; tenofovir/FTC tablet taken daily; and "treatment as prevention" (HIV+ persons on meds with undetectable viral load are not infectious). However, a vaccine to prevent infection continues to be a major scientific challenge.

The purpose of this study is to assess the safety and immune system response to investigational HIV vaccines in HIV-negative (uninfected) persons. These assessments will help researchers plan future vaccine studies. You cannot get infected with HIV (the NIH would never allow such a trial).

This is being conducted at the University of Colorado and compensation is provided to volunteers.

Participation Criteria:

- Willing to participate and understand the purpose and procedures of the study
- 18-50 years of age
- HIV-uninfected
- In good health
- Willing to maintain behavior consistent with low risk HIV exposure

Beer-pouring Volunteers Needed

One of the Ministries St Paul supports is Treatment Educat10n Network (TEN), a local organization providing educational programs to persons living with HIV. Proceeds from the "beer bust" on Sunday 24 May will benefit TEN and support their programs. Volunteers are needed from 3:30-8:00 pm at The Wrangler, just a block from St Paul at 17th & Logan. We walk around with pitchers of beer, filling the cups of patrons. It will mostly take place outside in the parking lot with beautiful sunny weather and a very large crowd. For more info or to volunteer, please contact Michael Dorosh 303.777.7208.
